O R D E R:

The Government have examined the question whether the Agriculture Department may be empowered to sanction Takkavi loans to ryots for the purchase of green manure seeds to cover about 15,000 acres in Tanjore District and to place a sum of Rs. 1 lakh at the disposal of the Agriculture Department for the purpose, in consultation with the Director of Agriculture and the Board of Revenue(Land Revenue) and they consider that there is no need to empower the Agriculture Department to sanction Takkavi loans for the purpose as the Revenue Department are in charge of the work.

2. The attention of the Collector of Tanjore is invited to the provisions in the Madras Land Improvements and Agriculturists Loans(General) Rules 1933 under which loans can be granted for an amount equal to 15 times the kist paid upto a maximum of Rs.120 per individual for purchase of seeds for food, fodder and green manure crops and/or manures out of the allotment made to each district and he is requested to see that loans for the purchase of green manure seeds are sanctioned to the ryots liberally on the personal securities of the loanees.

3. The Director of Agriculture is requested to arrange to publicise widely the fact that loans for the purchase of green manure seeds will be sanctioned by Revenue Department.
